Mr Michael Jaensch  
7 Carey St  
HEYWOOD VIC 3304

Dear Michael

I was interested to read of the prestigious award you received recently at the National Road Transport Operators Association conference held in Coffs Harbour.

It is an honour to have been nominated by your peers, and to be presented with the Professional Driver of the Year award is a great achievement. The award is acknowledgement for the 30 years you have been driving trucks safely, and the esteem in which you are held by customers and the regulators.

Congratulations and best wishes for the future.

Yours sincerely
