Dear Mr Jaensch

I write to congratulate you on winning the prestigious NatRoads Professional Driver of the Year Award at the National Road Transport Operators Association (NatRoads) conference in Coffs Harbour recently.

This is an outstanding achievement and wonderful recognition for your professionalism in driver safety with an impeccable history extending over thirty years, as well as positive feedback from both customers and regulatory personnel. Well done.

With the trucking industry presently in the media so much and the inevitable growth in the number of trucks on our roads it is of particular significance that we have drivers of your calibre being rewarded for driver excellence. You are an inspiration to all road users.

This award is a most deserved one - congratulations again on winning the NatRoads Professional Driver of the Year Award.

May you continue to enjoy safe driving for many years to come - best wishes for the future.

Yours sincerely
